GTFOH

Beer & Wine

Beer \$7

GBOD Craft Lager

This beer was designed and brewed as a collaboration between our Beverage Director Ryan Andrews and Mission Brewing, San Diego's oldest craft brewery. It is Craft Lager designed to be in between a Czech-style Pilsner and a Mexican Lager. It's hopped with Saaz and Tettnang hops and Lagered with a Mexican Lager Yeast strain. Crisp and refreshing

Wine \$12

Monte Xanic - Cabernet / Syrah Blend

Monte Xanic - Chardonnay

These wines come from the Valle De Guadalupe valley in Northern Baja Mexico just northeast of Ensenada. Besides being our favorite winery and wine producing region, Monte Xanic gives back on every bottle sold to the local orphanages in Baja, which unfortunately there are many. Both wines have a nice, crisp minerality and are excellent representations of the types of wine growing in the Valle De Guadalupe, Mexico's Napa!

Sangria \$12

Red or White

Joya Red Sangria is a refreshing blend of Premium Spanish Red Wine - Tempranillo, Garnacha and Bobal layered with natural essences of fresh Mediterranean fruits.

Our Speakeasy Statutes

If you thirst to enter our establishment, we do have a few statutes do abide by. Yes, even at this elusive, San Diego speakeasy bar, which goes unaware by most people...there are rules. These are not just any commonplace regulations; these are the coveted decrees that maintain our chic, nostalgic atmosphere:

1

No cell phones at the bar

2

Drink with an open mind

3

No unsolicited advances on female patrons.
Keep things chivalrous and gentlemanly.

4

Dress code is enforced Friday and Saturday.
Help maintain the 1920s vibe with no flip flops, active wear, shorts or ball caps. Cocktail attire/shirts are encouraged. Gentlemen need to be in a collared shirt, pants, and closed-toe shoes.

Thank you, kindly.
